CITY OF PACIFICA CELEBRATES BIKE TO WORK DAY ON MAY 10, 2018

Stop by Pacifica's Bike to Work Day Energizer Station

May is National Bike Month, and Thursday, May 10th marks the San Francisco Bay Area's 24th annual Bike to Work Day, a grand celebration of bicycling as a healthy, fun and viable form of transportation.

Stop by Pacifica's Energizer Station for encouragement, refreshments and goodies, located in the Vallemar Station parking lot, at the corner of Coast Highway and Reina del Mar, from 6:00a.m – 8:30a.m, staffed by the City of Pacifica Parks, Beaches and Recreation Department and the Pacifica Libraries.

“We've participated in this event for more than 16 years and are happy to highlight bicycle commuting and encourage our local riders,” said Parks, Beaches and Recreation Director Michael Perez. “We are excited to have the Pacifica Libraries joining us at the Energizer Station this year.”

Due to its success last year, Bike to Work Day organizers are also bringing back the popular “Team Bike Challenge” to encourage existing bicycle commuters to recruit their colleagues, friends, neighbors and local ‘honorary’ figures to ride their bicycles to work, school and other destinations during the month of May. To participate, download the Ride Report app, create a team of up to 8 riders and track your trips. More about Bike to Work Day and the Team Bike Challenge, including information on how to register, nominating a Bike Commuter of the Year, and finding bike routes, can be found on the Bicycling page at commute.org.
