PRESS RELEASE

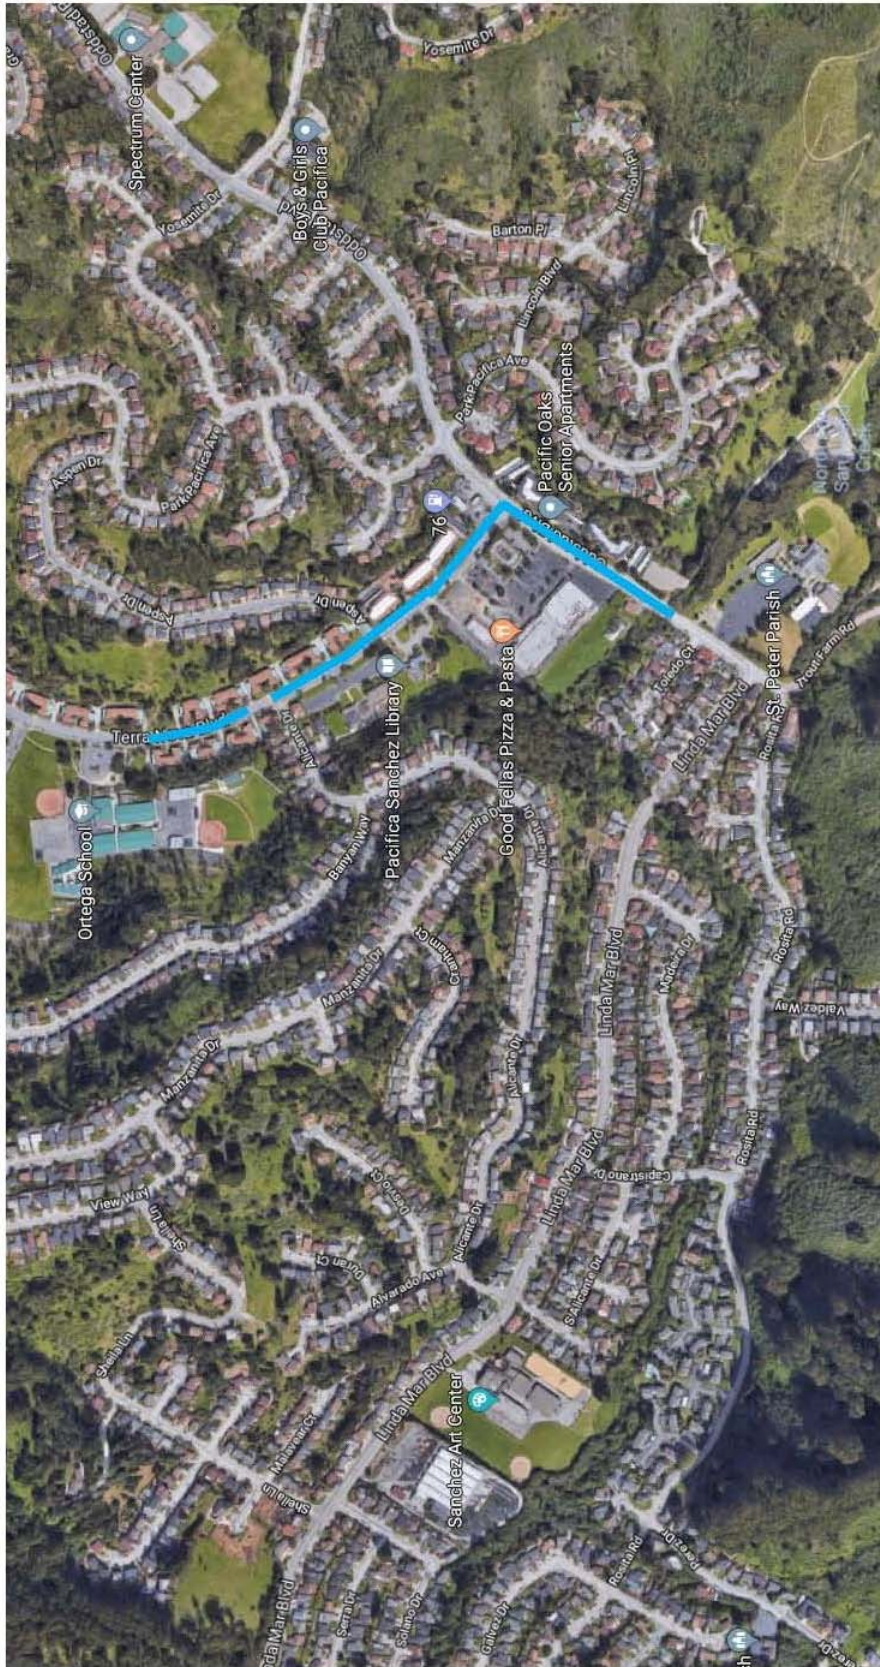

December 21, 2018

SEWER COLLECTION SYSTEM PROJECTS ODDSTAD & TERRA NOVA

FOR IMMEDIATE RELEASE (Pacifica, CA) – On January 7, 2019, the City’s contractor, Pacific Trenchless, Inc., will begin construction on the Collection System Project at Oddstad and Terra Nova Blvd. This project will install 2,337 linear feet of sewer mainlines in the Park Pacifica neighborhood (see attached map). This work includes increasing the existing pipe sizes from 8 inch to 10 inch, 12 inch to 16 inch, and 15 inch pipe to 18 inch. The project will remove the existing clay pipe with high-density polyethylene, referred to as HDPE. This project is tentatively set to be completed in April 2019.

The City appreciates everyone’s patience and cooperation for any inconveniences caused by construction activities as we strive to improve human health and the environment in Pacifica. Pacific Trenchless, Inc. will be applying safety and traffic coordination measures to minimize inconveniences as much as possible. Please contact the Public Works Department at (650) 738-4660 if you have any questions or comments. Updated project information will also be posted on the City’s website at www.cityofpacifica.org

Staff contact: Alex Garcia, Assistant Engineer of Public Works - Wastewater, (650) 922-5663,
