PROPOSED REFUSE COLLECTION CHARGES

Notice is hereby given that at **7 p.m. on November 25, 2019** in the Council Chambers located at 2212 Beach Boulevard; Pacifica, CA, the City Council of the City of Pacifica will consider the revision of Recology of the Coast's refuse collection charges that will be effective beginning January 1, 2020. If approved, you will see the refuse collection charges appear at this new rate on Recology's bills issued for 2020.

The refuse collection charges fund Recology's costs of operating and maintaining its refuse collection and disposal services to customers within the City. The proposed refuse collection charges and fees listed below were calculated using the procedures prescribed in the Franchise Agreement between the City and Recology of the Coast and represent an average 5.03% increase. This adjustment equates to an increased rate adjustment of 2.75% plus \$1.00/month for each residential account or 1.7% for each commercial account.
