II. ACKNOWLEDGEMENT AND AGREEMENT BY APPLICANT AND OWNER

NOTICE TO APPLICANT AND OWNER: FAILURE TO SIGN THIS PART OF THE APPLICATION SHALL RESULT IN THE APPLICATION BEING WITHHELD FROM FURTHER PROCESSING.

- A. I the undersigned, hereby agree to defend (with counsel approved by the City), indemnify, and hold harmless the City, its officials, officers, employees, volunteers, and agents (collectively, the "City Parties") from and against any claims, liability, loss, damage, costs (including reasonable attorney fees), or expenses, suits, and damages of every kind, nature, and description, directly or indirectly arising from, or relating to this application or the project (collectively, the "Claims"). I shall have no right to seek reimbursement from the City Parties for the Claims. I understand that the applicant and the employees of any cannabis operation may be subject to prosecution under federal laws relating to controlled substances, and that the City accepts no legal liability in connection with the approval and the subsequent operation of any cannabis operation. These obligations shall survive the termination or expiration of this Acknowledgement and Agreement.
- B. I, the undersigned, hereby agree to pay any and all City costs incurred in connection with the application or the project ("Fees"), and will enter into a reimbursement agreement with the City for the payment of such Fees. The Fees may include, but are not limited to, costs associated with City staff time, processing costs, consultant costs, and legal fees associated with processing the application, implementing any project approvals, or defending any project approvals. Consultant costs may include, but are not limited to, environmental consultants, biologists, wetlands specialists, traffic consultants, geotechnical consultants, and legal consultants, as may be determined to be necessary in the sole discretion of City staff. I hereby acknowledge and agree that I shall deposit funds to cover the Fees as determined by City staff, that such deposit may not be adequate to fully reimburse the City for all Fees, and that periodically, as the need arises, I may be called upon to make further deposit of funds to cover the Fees. In the event, for any reason, a City request for further deposit of funds is not fully satisfied within thirty (30) calendar days, the City may cease processing this application and the related project, and shall treat the failure to make the requested deposit of funds as my request to cease processing the application. The advance of Fees shall not be dependent upon the City's approval or disapproval of my application, or upon the result of any action, and shall in no way influence the project. Neither myself, nor any other person providing funding for the project shall, as a result of such funding, have any expectation as to the results of the application process or the selection of an alternative favorable to or benefiting me.
- C. I, the undersigned, hereby acknowledge, consent, and agree that project application forms, plans, and any other documents and materials submitted to the City are public records under the California Public Records Act (Gov. Code section 6250, *et seq.*). All project application forms, plans, and any other documents and materials submitted to the City are a public record and are subject to public inspection.
- D. It shall be the Applicant's responsibility to provide all of the information and materials required to comply with the cannabis activity permit application submittal requirements of Pacifica Municipal Code Section 9-4.4804(d). The filing date of the cannabis activity permit application shall be the later of a) the date when the Director of Planning officially receives the last submission of information or materials required by Section 9-4.4804(d) which enables the Director of Planning to determine the application to be complete, or, b) the date of notification by the Chief of Police of satisfactory completion of public safety license phase two requirements. If the Director of Planning determines an application submittal to be incomplete, he/she shall notify an applicant of those items required in order to determine the application to be complete. An incomplete application shall not be processed until the applicant submits the additional information identified in the written notification provided by the Director of Planning.
- E. Applicant hereby provides written authorization for the City, its agents and employees to seek verification of the information contained within the application.
- F. Upon notification of the Director of Planning, a qualified Applicant shall place a legible, visible sign not less than two (2) square feet on the front of the premises indicating that a cannabis activity permit has been filed and how to contact the Planning Department to obtain more information.
- G. Every application for a cannabis activity permit shall be accompanied by an application fee, in an amount established by resolution of the City Council and calculated to recover the City's full cost of reviewing, issuing, and administering the permit, and the filing of a complete cannabis activity permit application pursuant to this article. The application fee shall be in addition to any other business license fee, permit fee, or tax imposed by this Code or other governmental agencies.

- H. I, the undersigned, hereby acknowledge and agree that the comments of staff regarding the project are for guidance purposes but the final decision on the project rests with the Planning Commission and/or Pacifica City Council.
- I. I, the undersigned, hereby acknowledge and agree that my failure to provide complete, truthful, and accurate information necessary to process the application, or to provide public notice as required, may result in a delay in processing the application, or may constitute grounds for denial or revocation of the permit requested herein, and may result in the City ceasing processing this application and the related project, and treating the failure as my request to cease processing the application.
- J. I, the undersigned, hereby acknowledge and agree that any documents approving the project and/or conditions of approval may be recorded with the San Mateo County Recorder's Office. If requested, I agree to sign a document to allow such documents to be recorded.
