## **Presentations**

Team from Kimco shared their plans for both Kimco shopping centers in Pacifica - Fairmont and Linda Mar. Reiterated their commitment to Pacifica and local businesses. Discussed how they try to create balance in the center and the restrictions imposed by existing tenants (especially large anchors). Kimco receives many calls for space, but sometimes cannot offer a location due to usage, exclusivity or other restriction. David suggested that Kimco could forward any business seeking a location in Pacifica that can't go into Fairmont or Linda Mar to Thomas Myers, our Economic Development Manager.
