PRESS RELEASE

June 22, 2022

Collision Leads to DUI Arrest

Pacifica, CA – On June 22, 2022, at approximately 3:29 pm, a Pacifica Police officer located two vehicles near the intersection of SR-35 and Hickey Boulevard, which had just been involved in a non-injury collision.

The driver of one of the vehicles was found to be exhibiting symptoms of impairment. A DUI investigation was initiated and it was determined the subject had been driving under the influence of a drug and was unable to operate a motor vehicle safely. The subject was taken into custody without incident.

The driver was identified as LESLIE FABER, a 70 year old resident of Pacifica, CA. LESLIE FABER was placed under arrest for violation of 23152(f) CVC [driving under the influence of a drug]. LESLIE FABER was transported to local hospital where she was later released with a promise to appear.

The Pacifica Police Department reminds our valued community members that drug impaired driving is just as deadly as alcohol impaired driving. According to the CA Office of Traffic Safety, in 2019, 25.1% of the nation's 36,096 fatalities were related to drug-involved driving. In 2019, of fatally injured drivers with known drug tests, 50.0% were positive for drugs – legal and illegal.
